¹ 2002 Pediatric Nutrition Surveillance System (PedNSS) data, California 2003, CDHS Children's Medical Services Branch

² Population does not represent all low-income children in California

³ Body weight status is based on the 2000 CDC growth chart percentiles for weight-for-length.

* Rank compares this county's rate to other counties. Rank 1= **best** rate (done differently than CFPA and CHIS rankings)

** Percentages are not calculated if less than 100 records are available after exclusions.
